## Voting & Awards

Starting in January of 2008, we will be changing the awards and the way they are voted on. There will still be two awards for each Cover and Trailer.

The Most Eye-Catching Cover / Most Intriguing Trailer awards will remain as public awards. The only change will be that anyone can vote as many times as they wish. No restrictions on repeating voting may dilute the value of the awards but at least it won't penalize the honest people who follow the rules and only vote once.

The other award will become a private award. It will be renamed Most Artistic Cover / Most Artistic Trailer and will be voted upon by a select group of people. This is an invitation only group but if you know of someone who would be qualified, please contact us at [thenewcoveyawards@gmail.com](mailto:thenewcoveyawards@gmail.com)

We've received a lot of emails on this subject but the problem with emails is that the discussion is limited. We'd like to take this opportunity to remind everyone that a discussion forum has been set up at [Coffee Time Romance & More](#) for The NEW Covey Awards. If you have comments or suggestions, please visit the forum and make them public. It's our hope that the resulting discussion will ensure that The NEW Covey Awards continue to improve.

You have to be a member of the CTR forum to participate. If you are not a member, click [here](#) to register. Please input the following name - David Boulton - in the referrer section for faster processing.

If you don't want to join the forum, comments are still welcomed at the following email address
